## Robins

Reception trip to Hastings Aquarium and beach

Robins Class had a wonderful day in Hastings. We spent the morning exploring the aquarium. We then had a lovely afternoon on the beach with a picnic, hunting for shells and even a paddle in the sea! A big thank you to all the parents who came to help and made this such a brilliant day full of fun!

Kingfishers

In science year 1 have been classifying animals ready for our special visitor next week.

## Puffins

At forest school, Puffins class have been making patterns using natural, found materials in the style of Andy Goldsworthy.

#### Maples

In Science this half term our topic is 'Plants' we have been investigating how different conditions affect plants. We have also made some clay seed bombs to encourage pollinators. We have learnt how plants need pollinators for their reproduction cycle.

## Ash

On Wednesday, year 5 went on a trip to St Peter's and St Paul's In Bromley. We had the theme of creation and participated in three workshops run by the church. First we made puppets with Katie, who visits to do our **Collective Worship every** fortnight, and sung Creator God with them. The children enjoyed learning how to make it look like the puppets were singing. Then we had a dance workshop where we created a dance about the universe. After, we enjoyed our lunch in the church grounds before we went and had a choir practice. This was everyone's favourite activity because we lifted the roof off the church with our wonderful voices and felt fantastic afterwards. Even our staff joined in. At the end of the day, we had a collective worship led by the church and Veanna, Macie and Jeson walked down the centre aisle with our school banner.

## Oaks

#### **Rochester Cathedral**

Year 6 had a fantastic day at **Rochester Cathedral** celebrating reaching the end of primary School. The theme for the day was 'journey' where the children were able to reflect on the past and look forward to the future. The children participated in different workshops throughout the day. We wrote prayers based on our hopes and dreams; everyone was taught a song that we sang at the end of the day; we made a timeline to see how much knowledge we have learned through science and wrote about the people who are important to us. We had a joyful picnic on the Cathedral grounds.

#### Harris Academy Orpington:

Year 6 were treated to a day at Harris Academy Orpington to produce a piece of art work in the art studios with the art teachers. We looked at GRT artist, Gabi Jimenese, who produced artwork of caravans in Italy. The children produced their own interpretations of Ida y Vulta 2. The work will be mounted and put in a frame to be displayed at our school and then taken back to Harris to display in their school.

Breakdown of current class attendance for the year so far is:

There are things you can do to improve your child's attendance and avoid falling into the persistent absence category:

- Avoid taking any holidays during term times
- Keep up to date with what % attendance your child has so that you know if they are at risk of persistent absence (you can access attendance on the school app)
- Speak to school staff with any concerns. We have our family worker, Mrs Brindle, and each Key Stage has a Phase Leader:
  - EYFS (Nursery and Reception) is Mrs Zegeling
  - KS1 (Year 1 and 2) is Miss Bell
  - o LKS2 (Year 3 and 4) is Mrs Jones
  - UKS2 (Year 5 and 6) is Mrs Merredew
- Talk to your child about the importance of them being in school and let them know how important you feel it is.
- Please ensure your child is on time for school, any child arriving after 8.50am will be marked as late on the register and any after 9am will be marked as U and this is an unauthorised absence for morning registration and will affect your child's attendance percentage

If your child is unwell and you are unsure whether to send them to school, contact the office to report on 01689 821993. School will phone the parents of any children who are absent without reason.
