

Pupil premium strategy statement – St Paul’s Cray CE Primary School

This statement details our school’s use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

School overview

Detail	Data
Number of pupils in school	223
Proportion (%) of pupil premium eligible pupils	40%
Academic year/years that our current pupil premium strategy plan covers	2023-24
Date this statement was published	September 2023
Date on which it will be reviewed	July 2023
Statement authorised by	Liz Bennett
Pupil premium lead	Liz Bennett
Governor / Trustee lead	Rev Jane Winter

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£132,504.00
Recovery premium funding allocation this academic year <i>Recovery premium received in academic year 2023/24 cannot be carried forward beyond August 31, 2024.</i>	£ 13,920.00
Pupil premium funding carried forward from previous years <i>(enter £0 if not applicable)</i>	£15,510.35
Total budget for this academic year <i>If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year</i>	£161,934.35

Part A: Pupil premium strategy plan

Statement of intent

Our intention at St Paul's Cray CE Primary is that all pupils, irrespective of their background or the challenges they face learn in an environment that allows their educational, emotional, spiritual and social development to flourish, We want our pupils to make good progress and achieve across all subject areas. The focus of our pupil premium strategy is to support disadvantaged pupils to achieve that goal, including progress for those who are already high attainers.

We will consider the challenges faced by vulnerable pupils, such as those who have a social worker and young carers. The activity we have outlined in this statement is also intended to support their needs, regardless of whether they are disadvantaged or not.

Our strategy is also fundamental to wider school plans for 'education recovery' and targeted support for pupils whose education has been worst affected, including non disadvantaged pupils.

Quality first teaching, targeted academic support and wider strategies form our tiered approach. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school. Implicit in the intended outcomes detailed below, is the intention that non disadvantaged pupils' attainment will be sustained and improved alongside progress for their disadvantaged peers.

To ensure they are effective we will:

- adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve
- act early to intervene at the point need is identified
- Ensure that disadvantaged pupils make good levels of progress
- Ensure disadvantaged pupils are challenged in the work that they're set
- Understand the specific needs of all our disadvantaged pupils by carrying out detailed and accurate assessment
- Early intervention to address specific needs as part of quality first teaching, as well as in bespoke interventions and additional teaching
- Ensure good social and emotional health for all children
- Ensure equality of opportunity, as far as is possible in our role as educators, to enhance the 'cultural capital' of disadvantaged pupils

By weaving our pupil premium strategy into the very fabric of our school's values and vision, we are steadfast in our commitment to providing a supportive and inclusive learning environment where all pupils have the opportunity to thrive and reach their full potential.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	The Curriculum in some areas needs to be developed as pupil premium children in particular struggle to retain knowledge and skills and therefore to make links reducing chances of good or better progress.
2	Attendance and persistent absence for pupil premium children is a barrier to learning as this leads to gaps in their knowledge and skills meaning that their understanding is fragile. Our attendance data over the last 5 years indicates that attendance among disadvantaged pupils has been between 91.6% and 93.4% - 4% lower than for non-disadvantaged pupils.
3	Our assessments and observations indicate that the education and wellbeing of many of our disadvantaged pupils have been impacted by partial school closures to a greater extent than for other pupils. These findings are supported by national studies. This has resulted in significant knowledge gaps leading to pupils falling further behind age-related expectations, especially in maths.
4	Where pupil premium children have multiplicity of need, there are gaps in social skills and speech and language which need closer targeting through small steps assessment and following up through targeted intervention
5	Our assessments (including wellbeing survey), observations and discussions with pupils and families have identified social and emotional issues for many pupils due to a lack of enrichment opportunities due to cost of living crisis. These challenges particularly affect disadvantaged pupils, including their attainment.
6	Assessments, observations, and discussions with pupils indicate underdeveloped oral language skills and vocabulary gaps among many disadvantaged pupils. These are evident from Reception through to KS2 and in general, are more prevalent among our disadvantaged pupils than their peers.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
In Geography, History and Art pupil premium children are significantly more able to talk through the sequential	Pupil premium children across the school significantly increase their achievement at both expected and

approaches seen in the units of the wider curriculum. They are able to evidence that they know and remember more, making links between learning to aid their cognitive load and have a firmer grasp of technical vocabulary.	greater depth in Geography, History and Art
Attendance and persistent absence for pupil premium children will have significantly improved leading to improved outcomes and progress for pupil premium children in all year groups.	<p>Persistent absence and attendance is better than national for all pupil premium children</p> <p>Pupil premium children are evidenced both through formative and summative assessment to have reduced gaps in their knowledge and therefore are more secure in their understanding.</p>
Reduction of gaps in social skills and speech and language for pupil premium children targeted enabling access to full curriculum and reducing oracy barriers as well as cognitive overload.	Improved speech and language and social skills leading to improved mental health and wellbeing amongst the group and confidence evidenced through pupil voice and review.
There is improved support for pupil premium children both in English and Maths through adaptive teaching and better targeted and more responsive interventions.	Increased percentage of children achieving the expected standard in Reading and Maths.
To achieve and sustain improved wellbeing for all pupils in our school, particularly our disadvantaged pupils.	<p>Sustained high levels of wellbeing by 2024 demonstrated by:</p> <ul style="list-style-type: none"> • qualitative data from student voice, student and parent surveys and teacher observations • a reduction in behaviour incidents • an increase in participation in enrichment activities, particularly among disadvantaged pupils

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium) funding **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £9280.00

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>Introduce a more precise curriculum for Geography, History and Art, feeding into Early Years to ensure sequential learning, systematic retrieval practices, support technical vocabulary instruction and increased clarity around what we want children to know and remember. Targeting related CPD and Subject Leadership support to improve Quality First Teaching and adaptation for PP children</p> <p>Related Resources to enhance curriculum delivery.</p>	<p>Retrieval Practice: https://researchschool.org.uk/news/effective-retrieval-practice-what-should-we-consider https://www.researchgate.net/publication/306271315_Benefits_from_retrieval_practice_are_greater_for_students_with_lower_working_memory_capacity</p> <p>Sequencing: https://researchschool.org.uk/durrington/news/curriculum-and-sequencing</p> <p>Retrieval Practice: Kate Jones</p>	1

Targeted academic support (for example, tutoring, one-to-one support, structured interventions)

Budgeted cost: £92,733.64

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p>To employ and train staff to deliver targeted interventions for both Reading and Maths at KS1 and KS2 for pupil premium children.</p> <p>Related Resources</p>	<p>Effective Teacher Assistant Led Intervention: https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/teaching-assistant-interventions</p> <p>Phonics: https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</p>	3
To train and increase hours for team	Social and Emotional Intervention Support	4,5,6

members to deliver Speech and Language and social skills groups. Purchasing	https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning?utm_source=/education-evidence/teaching-learning-toolkit/social-and-emotional-learning&utm_medium=search&utm_campaign=site_search&search_term=social%20skills Specific to EYFS https://educationendowmentfoundation.org.uk/early-years-evidence-store/communication-and-language?approach=teaching-and-modelling-social-communication-skills&utm_source=/early-years-evidence-store/communication-and-language&utm_medium=search&utm_campaign=site_search&search_term=knowledge%20and%20skills	
---	--	--

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £55,120.71

Activity	Evidence that supports this approach	Challenge number(s) addressed
To increase the use of the EWO service in order to more closely target attendance and persistent absence for our pupil premium children.	The DfE guidance has been informed by engagement with schools that have significantly reduced levels of absence and persistent absence. https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/1099677/Working_together_to_improve_school_attendance.pdf	2
To support pupils access to the wider curriculum through	<ul style="list-style-type: none"> EEF Guide to PP - 3 tiered approach to PP spending – wider strategies 	5

funded educational visits for PP Pupils.	<ul style="list-style-type: none"> The Health and Safety Executive (HSE) fully recognises that learning outside the classroom helps to bring the curriculum to life – it provides deeper subject learning and increases selfconfidence. It also helps pupils develop their risk awareness and prepares them for their future working lives. 	
To support the wellbeing of pupils through interventions such as counselling, zones of regulation. To use an enhanced PSHE curriculum for resilience.	<ul style="list-style-type: none"> https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/primary-sel 	4, 5
To support pupils wellbeing and sense of community in the school through provision of PP uniform.	<ul style="list-style-type: none"> https://www.gov.uk/government/publications/school-uniform/schooluniforms https://www.gov.uk/government/publications/cost-of-schooluniforms/cost-of-school-uniforms 	5

Total budgeted cost: £157,134.35

Part B: Review of the previous academic year

Outcomes for disadvantaged pupils

Reading

Key stage 2 attainment of the expected standard (100+) in reading (65%) and the high standard (110+) in reading (15%) with the provisional national average for 2023 being 73%. For Pupil Premium children this stood at 58% for the expected standard and 8% at the high standard.

Writing

Key stage 2 attainment of the expected standard in writing was 62% with the provisional national average for 2023 being 71%. For Pupil Premium children this stood at 50% for the expected standard.

Mathematics

Key stage 2 attainment of the expected standard (100+) in maths (65%) and the high standard (110+) in maths (15%) with the provisional national average for 2023 being 73%. For Pupil Premium children this stood at 75% for the expected standard and 8% at the high standard.

Other Attainment measures:

In Year 1 67% of children met the threshold in Phonics which includes 50% of PP children (1/2)

In Year 2 90% of children met the threshold in Phonics by the end of the year which includes 47% of PP children (7/15)

Wider Impact:

Through a greater engagement in activities around mental health and well-being including the celebration of various national days children are clearer on how to keep themselves mentally healthy as referenced in PSHE and pupils voice. The vast majority of pupils have a trusted adult in school they would be happy to talk to about any issues..

Attendance has remained steady and in line with national figures. Children understand the importance of good attendance and the how missed days affects learning. Parents are kept well informed

SALT continue to identify need across the school. Voice 21 and SALT have worked together to ensure language development is a priority and consistent.

Externally provided programmes

Please include the names of any non-DfE programmes that you used your pupil premium (or recovery premium) to fund in the previous academic year.
