18th April 2024

Dear Parents/Carers,

I hope this message finds you well. I am writing to address some recent concerns raised by our neighbours regarding the behaviour of vehicles leaving the front of our school.

We have received reports of vehicles leaving the school and driving dangerously, particularly concerning incidents where vehicles turn right onto Teal Avenue without properly checking for oncoming traffic from the left. This is a serious safety issue that cannot be ignored.

Additionally, there have been complaints about parents parking over driveways belonging to our neighbours. This not only causes inconvenience but also reflects poorly on our school community.

It's imperative that all parents/carers prioritize the safety and well-being of our neighbours while outside the school premises. Therefore, I urge each and every one of you to:

1. Park only in designated areas and avoid blocking driveways or impeding traffic flow.
2. Exercise caution and drive at a safe speed when entering or leaving the school vicinity.
3. Always check for oncoming traffic from both directions before making any turns onto neighbouring roads.

Your cooperation in adhering to these guidelines is essential to maintain positive relationships with our neighbours and ensure the safety of everyone in our community.

Let's demonstrate our consideration and respect for others by being mindful of our actions while driving and parking near the school.

Thank you for your attention to this matter and for your commitment to keeping our community safe.

Best regards,

Yours Sincerely

Mrs E Bennett
Principal
