Dear Michaela

Thank you for contacting our Group Travel office. Please find below your new quote following the amendments you've requested.

Please note all fares can be subject to change.

For your booking to be secured and to allow enough time for your tickets to be sent, we will need to receive payment no later than seven days before the date of your outward journey. If payments are received too late, we may decline your booking.

For payment only please contact 0330 095 8888. Payments will be taken by debit or credit card. We're not able to accept cheques or cash payments via the post. Please note payment can be taken between **8 am-1 pm, Monday to Friday, except Bank Holidays.**

Once payment has been taken, your tickets will be issued and sent out by **Special Delivery**, and the charge for this is **£8.75**.

We appreciate that sometimes amendments to bookings may need to be done. We can accommodate these amendments, but only up until the tickets are printed and dispatched. After this, no amendments will be able to be made. Of course, any additional tickets added will change the quoted price you originally received.

For large groups, we will arrange carriage reservations, typically located towards the rear of the train. Labels will be placed in the windows of the reserved carriages for easy identification. During peak times, there may be occasions when we are unable to guarantee reservations, but we will make every effort to accommodate your

group.

Please ensure that you travel on the train at the times specified in your booking. Please note that changes to the original requested times may impact our ability to secure your reservations.

If any passengers require assistance when travelling, please visit our Assisted Travel page for information on the accessibility of our trains and stations.
